Standard rate per participant

Clinical leads: Dr Baihaqi & Dr Daneal

Enquiry and registration

Suitability assessment

Briefing, queue and procedure

Monitoring and aftercare information

Ask the secretariat about availability, participant suitability and any early bird offer. An enquiry does not confirm a place.

CHILDREN'S HEALTH PROGRAMME

Early screening and education covering growth and general health, vision, oral health, nutrition, emotional wellbeing and family health education.

Screening types and programme scope depend on participant suitability and health partner capacity. Any applicable screening fees will be confirmed by the organiser.

TENTATIVE DAY PROGRAMME

7.00-8.15 am

Arrival, Sunathon registration, opening and briefing.

From 9.00 am

Sunathon by queue in a separate clinical zone.

Throughout the morning

Health education, competitions and family activities.

Afternoon

Family forum "It All Begins at Home", a proposed paediatric basic life support session and cake decoration.

Closing

Appreciation, prayer break and visitor departure.

Times, programme content and speakers remain subject to final coordination. Afternoon sessions will align with mosque prayer times. The overall 7.00 am - 6.00 pm window includes operational close-down.

CLINIC. MOSQUE. COMMUNITY.

Together for families.
